

The Giving Game

You and your family gave an amazing gift that won't fit under the Christmas tree, but it will bring life-saving care to another family around the world. Here is a game you can play with your family to reflect on this season of giving. We encourage you to play while enjoying a meal together or sitting around your own Christmas tree.

	<i>What makes a gift special? Name a gift you were grateful for that made you feel loved.</i>
	<i>Think of someone who is a great gift giver. How do you think they find the perfect gift?</i>
	<i>Have you ever found the perfect gift for someone?</i>
	<i>Think of a time you gave someone you didn't know well a gift. It doesn't have to be a physical thing, but could be the gift of prayer, your time spent volunteering for them, or a donation made in their honor. How did it feel?</i>
	<i>Can you think of a gift you've been given — at Christmas or any time — that really stands out to you? Why was it memorable?</i>
